COURSE REGISTRATION																																				
	Course registration takes place through an online bidding process about three weeks before the semester begins. Student Mobility will inform guest students about the process well in advance. Information is also available on www.exchange.unisg.ch →Incoming																																			
RECOMMENDED WORKLOAD																																				
	The workload per semester averages 24-30 ECTS credits. Guest students are advised to take at least 16 ECTS credits per semester while at HSG. However, they should follow the minimum requirements of their home university. CEMS students must follow the CEMS regulations. At the University of St.Gallen 1 ECTS corresponds to 30 hours of course work including lectures, independent study, projects, exams, etc. Credits are given only for successfully passed courses. Courses take place throughout the entire semester (13 weeks) and/or in block seminars.																																			
LEARNING EXPECTATIONS																																				
	Seminars, lectures, self-study. Students are expected to attend all lectures, to complete all course-related assignments and to take exams in order to receive a course grade. Classes range in size from 20 to 300 students. ISP classes have fewer than 30 students.																																			
EXAMINATIONS																																				
	<p>Schedule: "Decentral": guest students can normally take their exams as "decentral" exams, during the last weeks of the semester (December or May). They should contact their instructor at the beginning of the course about the exam schedule.</p> <p>"Central" exams take place in January and June.</p> <p>Format: Examinations may be oral and/or written. Presentations/course participation may also constitute part of the final grade.</p> <p><i>Guest students enrolled for two consecutive semesters</i> must take exams for their first semester courses as specified in the course/exam description. If a "central exam" is specified, they may schedule a "decentral exam" if the lecturer agrees.</p> <p>See course descriptions for information on exam schedule and format.</p>
