Dear New Emory Law Student:

Congratulations on your recent acceptance to Emory Law! My name is Andrew Bushek, and I am the Director-in-Chief of Emory Law School's Moot Court Society. It is with great excitement that I invite you to participate in our fall Transfer Student Competition. The top competitor amongst the transfers will be invited to formally join the Emory Moot Court Society and compete in one of the 14 national competitions we attend in the spring.

Attached is some information about the Emory Moot Court Society, relevant competition information, and important dates. Because we must arrange to have enough judges and rooms for the Transfer Student Competition, I kindly ask that you review the attached document and reply to our Director of Intra-School Competitions, Vasili Brasinikas ([vbrasin@emory.edu](mailto:vbrasin@emory.edu)) no later than **July 17** if you intend to compete.

Please do not hesitate to contact Vasili or myself with any questions. I look forward to seeing you on campus in August!

Kind Regards,

Andrew Bushek
