2. After instructing your broker to make the transfer, please contact the Office of the Controller by email at (stockgifts@emory.edu) with the type of stock and the Emory account designation so that we can match your name with your gift when it arrives. *Please also include your cost basis for all donated securities.*¹

Transfer Details:

Account Name:	EU Global Gift Account
Account Number:	EMY39 /17-51595

NOTE: Stock gifts made by transfer to an intermediary party and not directly to Northern Trust may result in delays of contribution valuation and receipting.

STOCK CERTIFICATES IN YOUR POSSESSION

1. Write a brief letter of instruction that includes your name, name of stock(s), number of shares to be donated, and the Emory account to which you wish your gift to be credited.
2. Sign a stock power form. You can obtain a stock power form from your broker or from the Office of the Controller. Only your signature is required on the form.
3. Mail the *unsigned* stock certificate(s) and letter of instruction in one envelope and the *signed* stock power form in a separate envelope to the Office of the Controller at the address above. Your gift date is the postmark date of the later envelope. Your gift amount is the average of the high and low price of your stock gift on that date.
4. Please contact the Office of the Controller by email (stockgifts@emory.edu) to let us know the gift is in progress.

NOTE: If you have a certificate for more shares than you wish to donate, please include your Social Security number and a written note specifying how many shares you wish to donate and how many shares should be returned to you. Please be sure to include an address for the new certificate to be sent. It generally takes four to six weeks for a new stock certificate to be issued in your name.

MUTUAL FUND GIFTS

If you are interested in making a gift of mutual fund shares, please contact the Office of Gift Accounting at 404-712-GIVE (4483) **prior** to transferring the mutual fund gift.

In order to transfer a mutual fund to Emory University a shell account will need to be set up at the fund company where the shares are held. Our custodian bank, Northern Trust, will complete this process on behalf of Emory University.

¹ The IRS requires certain private higher education institutions to pay a tax on securities gifts sold by the institution at a price higher than the donor's cost basis. This regulation requires Emory to collect cost basis information on all securities gifts.
