

## 2019 EPIC GRANT APPLICATION

Dear EPIC Grant Applicant:

This document will explain the 2019 EPIC Grant Application requirements. If all application requirements are met, then the applicant will proceed to the interview stage. Every effort has been made to ensure that the application process is both fair and efficient. If there is any confusion regarding application requirements, the information in this document controls.

The maximum amount of funding this grant can provide is \$5,000. If you receive funding from your placement, you may only request an amount that is \$5,000 less the amount from the placement. For example, if your placement provides a \$500 stipend, you may only request \$4,500.

Please be advised the EPIC Grant cannot be used in conjunction with other grants for summer positions. If you accept an alternate grant(s), you must notify the EPIC Grant Coordinator, Alexandria Pierce immediately at [epicgrant2019@gmail.com](mailto:epicgrant2019@gmail.com). Acceptance of other grants or funding sources will impact your eligibility to receive the EPIC Grant.

If you wish to apply for the John Paul Stevens Public Interest Fellowship Program as well, the requirements are listed at the end of this document. Please direct all questions to [epicgrant2019@gmail.com](mailto:epicgrant2019@gmail.com).

Best of Luck,

Alexandria Pierce  
EPIC Grant Coordinator

**JOHN PAUL STEVENS PUBLIC INTEREST FELLOWSHIP PROGRAM**

Emory Law is pleased to administer the Justice John Paul Stevens Public Interest Fellowship Program. This program is generously funded by the Justice John Paul Stevens Foundation. This fellowship will award \$7,500 to recipients.

Stevens Fellowships provide financial assistance to students who will spend their summer volunteering at a public interest organization. First- and second-year students who have secured a full-time (40 hours/week for 10 weeks) volunteer summer law position with a public interest organization may qualify. Qualifying employer organizations include legal services agencies and government offices (judicial externships do not qualify). Private sector "public interest" law firms will also be considered as qualifying employers as long as the position is unpaid and the firm provides a letter or other descriptive material that supports their "public interest" status.

All applicants will be asked to submit a letter from their employer confirming their summer position and an additional statement (no more than one page long) of how their placement meets the John Paul Stevens Foundation goals.

John Paul Stevens Public Interest Fellowship Applicants may use their EPIC Grant application to satisfy all other application requirements. Applicants should keep in mind that the Stevens Fellowship is distinct from the EPIC Grant process and not all jobs that qualify for an EPIC Grant qualify for the Stevens Fellowship.

If you would like to be considered for the Stevens Fellowship, please indicate so by signing your name at the bottom of this page and providing an additional statement of interest.
